

DESIGN PRODUCTION SERVICE U CE

High Pressure Accumulators

- ASME Coded, NB Registered, U stamped
- Carbon Steel/Stainless Steel
- Pressure: 2,000, 3,000, 5,000/6,600 PSI (1-15 Gal.)
- High Quality Bladders Made in US, Europe
- Oil, Water & Chemical Applications
- Optional Epoxy Coating Inside & Outside
- Custom Sizes & Connections

Serving US Military, Aerospace & Defense Applications

PARKER, HYDAC Repair, Rebuild, Replacement

APPLICATIONS:

- HYDRAULIC POWER UNIT
- BOP CONTROL UNIT
- PUMP PULSATION CONTROL
- FLUID PIPELINE SURGE CONTROL
- LUBE OIL SYSTEM, TURBO-MACHINERY

Low Pressure Surge Suppressors

- ASME Coded, NB Registered, U stamped
- Carbon Steel/Stainless Steel
- ANSI B16.5 Flange Connection
- Pressure: RAL-up to 1500PSI; RPK-up to 500PSI (2.5-150G)
- High Quality Bladders Made in US, Europe
- Oil, Water & Chemical Applications
- Optional Epoxy Coating Inside & Outside
- Custom Sizes & Connections

ONE STOP Accumulator Products &
Surge Control **Solutions**

Bladder Repair Kits

- High Quality Bladders Made in US, Europe
- 1-15G, 12.5G, 16.5G
- Standard Nitrile, Various Rubber Compound Options
- Interchangeable with Most Major Brands on The Market
- Stocking Materials, Fast Replacement

Charging Kits, Service Kits, Clamps, Tools & Accessories

Only Use Professional Tools on Your Accumulators
